## About Me

Front-End Developer with 4 years of experience, passionate about building dynamic, user-friendly websites and applications. Skilled in HTML, CSS, JavaScript, and modern frameworks, with a strong focus on responsive design and smooth user experiences. I also have a background in UI/UX and graphic design, helping me create clean and creative interfaces. I enjoy working with teams to turn ideas into real, high-quality products. Always eager to learn and stay current with new tools and trends in web development.
